

The Adventurer Club is a Seventh-day Adventist Church-sponsored ministry open to all families of children in grades 1-4 who agree to keep the Adventurer Pledge and Law.

#### **Adventurer Pledge**

Because Jesus loves me, I will always do my best.

#### **Adventurer Law**

Jesus can help me to:

- Be obedient
- Be pure
- Be true
- Be kind
- Be respectful
- Be attentive
- Be helpful
- Be cheerful
- Be thoughtful
- Be reverent

We will be earning Honors in five different areas; Arts & Crafts, Household Arts, Nature, Recreation, & Spiritual. In each Honor Christ remains the center and firm foundation. We will experience fun field trips, guest speakers and messy crafts. Some Honors include; Home Helper, Disciples, Early Adventist Pioneer, Sewing Fun. We will always include a craft, memory verse and snack in our meetings.

We meet every **Monday 3:30-5:30** @ Whipple Creek SDA Church and follow Meadow Glade school closures.

Our focus this year will be on Servant-hood.

**"For even the Son of Man did not come to be served, but to serve, and to give His life a ransom for many" Mark 10:45**

We will be implementing "Prayer Buddies" and "One Can Challenge" this year. Each week, we will have the children (with help, if needed) fill out a prayer request form. The children will draw a new name each meeting, and be asked to pray for that buddy until our next meeting. The "One Can Challenge" is an opportunity for our kids to participate in an on-going community service project. I would like to ask each child to bring one non-perishable food item per meeting that we can donate to a local Food Bank. A great idea borrowed from the Kentucky-Tennessee Conference.

### **Mission Statement...**

The North American Division Adventurer program serves an intercultural community of children in grades 1-4 and their parents and care-givers through a holistic ministry.

The purpose of the program is to support parents and care-givers in leading and encouraging their children in a growing, joyful love relationship with Jesus Christ.

It offers instructional curriculum, family enrichment, supplementary resources, and volunteer training from within the Seventh-day Adventist philosophy.

The Adventurer program should work to fulfill the gospel commission (Matthew 28:18-20) and depends on the support of a congregation strong in mission and empowered by the Holy Spirit.

### **Values...**

The church's greatest resource is our children; therefore, it is imperative that as a church we meet the challenge to provide a program for our children during their early, formative years. We want right habits, thoughts, motives, dispositions, and attitudes to be established. The Wise Man wrote, "Bring up a child in the way he should go, and when he is old he will not turn from it." Prov. 22:6 (NIV). This is more than a cliché—it is a scientific formula.
